MATSO'S
BROOME BREWERY

Craft Beer • Great Food • Fine Wine

Hello everyone

We have now finalized, well almost, the car run itinerary for this year.

Commencing in Broome on Saturday 26th May for an evening with the stars at our home at Coconut Wells 25kms from town. During our time in Broome we have arranged an exclusive pre opening visit to Malcom Douglas's new wild life park as well as spending, what promises to be a most entertaining day with the Bishop and will also spend an evening at the Pearl Luggers

Following a night in Derby we will join the traditional owners for lunch at Geike Gorge and again a stay at the Lodge in Fitzroy. After Halls Creek we will stay at Emma Gorge on El Questro Station with time to visit some of their wonderful scenic spots.

This year we will again be attending the Kimberley Moon Concert with guest artist Marcia Hines. The concert format has changed considerably and last years event received rave reviews from all those attending (talk to Peter) Sorry fellows but you will need to pack the penguin suit (black tie). If transporting the penguin is an issue we may be able to send up a job lot on Nexus Freight from Perth prior to the car run, any ideas Peter?

The final day, Sunday June 3rd we will again be hosted by Admiral Haley but this time on Lake Argyle for another most enjoyable and interesting cruise. Other bits and pieces are still being arranged including, hopefully, a couple of school visits. The run will conclude on the morning of May 4th Monday public holiday

Last year we raised over \$25,000 for equipment for an aged care facility in Broome, construction has finally started and its completion is eagerly awaited by the 'old timers' from around the region.

Some of us may consider that we are overrun with members of the legal fraternity, however, our great friend Bishop Christopher Saunders has other ideas. For some years he has prompted and lobbied for a law faculty at Notre Dame University in Broome, his perseverance and powers of persuasion have finally born fruit and a law faculty is to be established. After much deliberation and discussion we have committed to funding the formation of the law library for the faculty from money raised from this and next years car run.

At Matso's we all consider this a most worthwhile cause with long lasting benefits for the region and hope that you will all support us in this endeavor.

Peter Howell has quoted us a figure of \$1,100 to transport cars from Perth to Broome and return from Kununurra to Perth. Those people wishing to avail themselves of this service please contact Peter direct at Nexus Freight 93562700 or 0419830912. email peter@nexusfreight.com to make arrangements
